

2017 SPS Season Pit Pass

Once again State Park Speedway offers a season pit pass for drivers and crew members. The season pit pass does not need to be delegated per individual, but it may rotate hands, meaning you can purchase passes under your race team name, i.e Wimmer Racing.

Anyone using a season pit pass will still be required to sign in and get a wristband, however, no money will exchange hands on race day. This provides a faster and more efficient way to get into the pits. There will be a separate sign in for those of you with season pit passes so you will not have to wait in line.

The season pit pass gives access to the pits for every race EXCEPT the ARCA Midwest Tour event on Saturday May 20th 2017, the TUNDRA Super Late Model race on Saturday August 5th, 2017, the Eve of Devastation on Sunday, September 10th, 2017 and the Creepy Classic on October 28th, 2017.
