

State Park Speedway Super Late and Limited Late Model Pit Slab Rental 2017

Because of the high demand for pit slabs this year, we would like to have the Super Late Model and Limited Late Model divisions make your request for a pit slab by April 15th, 2017. After we have closed pit requests for those divisions, we will open requests to other divisions.

We have a total of 35 pit slabs that can be reserved. They will be reserved on a first come first serve basis. If you want to reserve the same spot you had last year, please put the number of your request in the space provided.

The cost of a slab is \$130 for the season, which is for the events your division is racing only and cannot be transferred. Otherwise they can be rented for \$15.00 per race if available.

To reserve your slab, you must pay in full. A slab will be reserved for you upon receipt of this form. Payment must be made by May 1st, 2017. This does not include the May 20th ARCA Midwest Tour, the June 8th and August 10th CWRA and Midwest Truck Race or the August 5th TUNDRA Series race.

If you want to secure your slabs for June 8th and August 10th races you may do so by paying \$25 on or before April 15th, 2017.

The importance of early request is so the remaining divisions can reserve their slabs and we can let them know what is available
