

State Park Speedway Limited Late Model Pit Slab

Rental 2019

Because of the high demand for pit slabs this year, we would like to have the Super Late Model division make your request for a pit slab by April 20th, 2019. After we have closed pit requests for this division, we will open up requests to other divisions. We have a total of 35 pit slabs that can be reserved. They will be reserved on a first come first serve basis. If you want to reserve the same spot you had last year please put the number of your request in the space provided.

The cost of a slab is \$168 for the season, which is for 14 events. Otherwise they can be rented for \$15.00 per race if available.

To reserve your slab you must pay in full. A slab will be reserved for you upon receipt of this form. Payment must be made by April 20th, 2019. This does not include the ARCA Midwest Tour race.

The importance of early request is so the remaining divisions can save their slabs and we can let them know what is available.
